ARBITRATION COMMUNITY ENGAGEMENT

1, SEMINAR ON DISPUTE RESOLUTION STRATEGIES FOR ENTERPRISES IN THE ASIA-PACIFIC REGION: INTERNATIONAL ARBITRATION AND ALTERNATIVE DISPUTE RESOLUTION

The Seminar on Dispute Resolution Strategies for Enterprises in the Asia-Pacific Region was co-organized by the International Pacific Bar Association (IPBA) and the Vietnam International Arbitration Center (VIAC) in Hanoi on January 11, 2024. From Vietnam's perspective, Mr. Nguyen Manh Dzung listed Vietnam's main trade and investment partners, namely, South Korea, Singapore, and Japan, who are also the main users of VIAC. In 2023, VIAC set a record by handling 425 new arbitration and mediation cases, and it also issued an arbitration award exceeding 1,000 pages for a case valued at over 270 million USD. To achieve such dynamism, the role of court supervision and support for arbitration, along with the new approach to ADR, is also seen as a business tool for risk management and modern dispute prevention.

From 22 February to 23 February 2024, Mr. Nguyen Manh Dzung participated in the 25th Annual IBA Arbitration Day organized by The International Bar Association (IBA) in Singapore. IBA, founded in 1947, is a leading international organization with over 80,000 lawyers and nearly 190 bar associations and law societies across 170 countries. The conference included four main sessions covering topics such as arbitrability, consent to arbitrate, expectations about arbitrators, and award and costs. Recently, IBA provided a revised version of the IBA Guidelines on Conflicts of Interest in International Arbitration. The main changes are in the Orange List, concerning the role of arbitrator as expert, to be appointed as an expert in another arbitration proceeding involving one of the parties. These changes should be considered by VIAC to update in its Arbitrator Statement.
